Пояснительная записка

Выполнение разнообразных тестовых упражнений – необходимый вид деятельности при обучении учащихся иностранному языку и умению наметить эффективные пути для исправления ошибок. Данные дидактические материалы разработаны для осуществления контроля пройденного теоретического материала в 6 классе. Разработки, размещенные в настоящем сборнике, представляют собой задания в форме теста, вопросы с кратким вариантом ответа и текстового материала и др. Задания, приведенные в сборнике, охватывают базовые темы школьного курса. Выполнение этих упражнений обеспечивает не только знание грамматического материала, но и, что более важно, приобретение навыков грамотной речи.

Умения устной и письменной речи на иностранном языке обеспечивают основные познавательно-коммуникативные потребности учащихся на каждом этапе обучения. Они дают возможность приобщаться к культурным ценностям народа-носителя языка. В настоящее время в обществе происходят серьезные изменения. Мир меняется стремительно, меняются и требования к воспитанию и развитию детей.

Дидактические материалы для учащихся 6 классов составлены в соответствии с требованиями ФГОС и могут использоваться как дополнительное пособие к учебнику Английский язык. **Spotlight. 6 класс.**

Настоящие контрольно-измерительные материалы рекомендуется использовать для проведения краткого опроса учащихся по соответствующим темам, для проверки текущего уровня знаний, для закрепления пройденного теоретического материала. Также данные разработки необходимо применять для вовлечения в учебный процесс учеников, которые имеют освобождение по болезни. Представленные дидактические материалы не имеют ограничения в использовании в зависимости от группы здоровья учащегося.
